

Taylor Mary McGarry

May 13, 1993 ~ June 3, 2025

Taylor Mary Draper McGarry lived her life with grace and beauty. She was kind, gentle, funny, generous, intelligent, fun, and strong—even in the worst of times. Those who knew her loved her. Her powerful impact on everyone around her was unquestionable. Her focus was always on making others feel seen, loved, and accepted. Her light remains strong, and we will miss her smile and contagious laugh every day.

Taylor was born in Pocatello, Idaho, in 1993 to Jennifer Thatcher Larsen and Roy McGarry. She grew up in Rexburg, Idaho, with her siblings, where she learned to create amazing things out of simplicity. She had her mother's sense of humor, playing innocent pranks and surprising people. She had a creative heart. She loved music, writing, poetry, art, flowers, crafting, and the outdoors.

After leaving Idaho, Taylor was always on the move. She loved traveling, camping, and experiencing things fearlessly. Whether it be Phish concerts or desert adventures, Taylor loved to live life spontaneously. She embraced those around her lovingly and would selflessly volunteer her enthusiasm and spirit. She unveiled beauty in everything and discovered beauty in everyone.

Taylor had many defining moments in her life, and although everyone knew her differently, her selflessness, care for others, and bright spirit endured perpetually. In 2022, she married the love of her life, Jimmie Draper. Together, they created a happy family with Jimmie's two sons, Khai and Daxtin, and her loving pups – Susan and Linda.

Taylor was strong, beautiful, and bold. As Taylor would say, she lived a "rad" life. She will be dearly missed.

Visitation will be on Thursday, June 12th, 2025, at 11:00 a.m. at Larkin Sunset Gardens (1950 E 10600 S, Sandy, UT 84092). A service in her honor will be held at 1:00 p.m. at the same location, with a graveside dedication for the family to follow. For those who would like to attend virtually, please click on the "Watch Services" button above. Please dress colorfully, as that is what Taylor would have loved. Taylor had a deep love for flowers and plants, so in lieu of flowers, send flowers.
