

Thomas Dalton Roberts

April 16, 1986 ~ September 28, 2024

On September 28, 2024, at around 11 a.m. pacific, Thomas Dalton Roberts tragically passed away at the age of 38. After being stung four times while attempting to remove a wasp nest, despite efforts, he did not survive.

Thomas grew up in a close-knit family, alongside his siblings Adam Roberts, Miranda Roberts, and Guy Roberts. As children, they shared a bond as tight as a wolf pack, often howling at the moon together—a cherished memory they all hold dear. His extended family of aunts, uncles, and cousins delighted in and adored his joyful exuberance, and are honored to know him.

The loss of Thomas leaves a profound void in the hearts of all who knew him; he was Gonzo, he was Troll, he was a Roberts! He will be deeply missed, not only by his “pack,” especially his loving mother, Laura Jean Roberts, but also by countless friends and relatives. His presence, full of life and love, resonated with those who knew him, and his spirit will forever echo in the hearts of those he touched.

Thomas came into this world laughing. At 6 weeks old he would smile and giggle at strangers, an unusual thing for a baby at that stage. He was fearless at 4 yo, running away to hide in the displays, giggling as his family searched for him.

In school he was adored for being happy, hyper and smiling; sometimes it was a challenge, but he was a rare soul. Welcomed and wanted, he made friends for life in unexpected places, and would help everyone he could, as much as he could!

That day, he was tired, and he took a walk, and he went home. We look forward to the reunion when we can be with him again.

A celebration of Thomas's life will be held Friday, October 11, 2024 at Larkin Mortuary - Riverton; 3688 W 12600 S, Riverton, UT 84065; (801) 254-4850
