

Tracy Samuel Parrish

January 30, 1961 ~ October 26, 2025

Tracy Samuel Parrish, 64, left us far too soon on October 26, 2025, while at home. Tracy was born in Centerville, Utah on January 30, 1961, the son of Raul Joel “RJ” and Jeannine Parrish.

Tracy loved weight lifting and competing. He held records and still holds the record for the masters men group for his back squat at 270.10 lbs. Tracy had a love of the outdoors and the many activities it had to offer. He enjoyed fly fishing, hunting, float tubing, air boats, snowmobiling, ATV riding, golf, camping and spending time at the cabin. Some would say if it was something you could do outside, Tracy probably loved it.

Though his love of the outdoors was evident, his love for his family compared to nothing. Tracy married Cindy Ohlwiler and together they raised 4 children. They were married for 40+ years. He loved spending time with his wife, kids and grandkids.

Our hearts ache as his passing, but we celebrate the time we had and the memories made that will last forever.

Tracy is survived by his loving wife, Cindy; their daughter Randie (Ian), son Dakota (Luc), daughter Sam (Taylor), son Kaden (Alex); grandchildren Conner, Nixon, Oakley, Kendyll, Killian and his beloved fur babies Aurora and Chissum.

He is preceded in passing by his parents, brother Joey, nephew Justin and fur baby Lychean.

A Celebration of Tracy’s life will be held in the coming months. Please check back for details.
