

# Ty Frank Fullmer

*November 19, 1985 ~ March 24, 2022*

Ty Frank Fullmer, 36, entered eternal life on March 24th, 2022, as a result of a tragic car accident that evening.

On November 19, 1985, Ty was born to Que and Debora Fullmer in Upland, California. He was the 7th of 10 children. He was a sweet, well- tempered baby with red hair and smiling brown eyes. As a child, Ty was adored by his siblings and contained a loving demeanor. Ty was often seen with and caring for the animals on the family ranch. He attended Cortez Elementary School where he was first known to make friends with those who had none. He had an engaging personality that captured the attention of kids and adults alike.

At the age of 8, Ty chose to be baptized as a member of the Church of Jesus Christ of Latter-day Saints which is also where he worshiped every Sunday with his family. In middle school and high school Ty had the unique ability to make others feel accepted and confident that they had a loyal friend in Ty. He spent much of his time on the family ranch while also working at Norco Hay until 2004 when he graduated from Norco High School.

At age 19, Ty chose to serve 2 years as a volunteer missionary for the Church of Jesus Christ of Latter-Day Saints in the Des Moines, Iowa area. He left an impact on many there as he dedicatedly used his talents to share the gospel while making people feel genuinely loved. Ty was quick to observe, to see a need, and fill that need with compassionate service and a smile.

Ty attended Southern Virginia University for 2 years then later graduated with a Bachelor's degree in Communications from the University of Utah. He was always a crowd favorite with his one-of-a-kind storytelling abilities. He was known throughout his life to make others laugh with his humor. Utah is where he met Shontel King of Alta Loma, CA whom he married in the San Diego California Temple on July 1, 2011.

After graduation, Ty and Shontel moved to Syracuse, Kansas so that Ty could work for the family business - Fullmer Cattle Company. He was the Chief Operations Manager for 9 years up until his passing. He left an imprint on the entire community as he led by example and inspired others to become better. He loved his employees and acknowledged the importance of each person. Ty was happiest serving others.

Ty's children were the highlight of his life. Spending time with them was his greatest joy. Fraternal twins Fitz Eldon and Fey Ila, with Cohen Ty and Willa Halene following in order of birth, had many adventures on the ranch with their most-loving dad. Ty would give them rides on 4 wheelers, taught them Spanish, cooked for and doted over them. His kids were his world and he showed it in all that he did.
