

## Lorin Farr Smith

*July 2, 1965 ~ July 7, 2018*

Our beautiful, beloved Son, Brother, Father, Friend and Boss passed away in his home on July 7, 2018; Lorin Farr Smith was born on July 2nd 1965 to loving parents Dr. Lane Farr Smith and Waltraut Martha Schneider. He is the energetic third child in a family of ten children and grew up in Salt Lake City, graduating from Brighton High School. Lorin was active in sports earning numerous medals and trophies as a swimmer and wrestler; he was also a star debater having never lost a debate. He went on to graduate from California State University Sacramento with a Bachelor's Degree in Government, and later earned his Teaching Credential. He continued to live in Sacramento, and loved living in California, where he worked as a schoolteacher and swim coach. His swim team was very successful and he was beloved as both a coach and teacher. He also worked as a Realtor and Insurance Broker. Lorin was one of the founding members of the sport of Disc Golf and a champion player. He served as President on the Board of Directors of the Professional Disc Golf Association. This sport has grown to have millions of participants worldwide. In 2009, Lorin moved to Las Vegas, closer to his brothers. For the Last 3 years, Lorin served as the Office Manager for one of the largest and busiest medical practices in Nevada, also serving as Project Manager for the construction of one of the largest buildings dedicated to cosmetic surgery in the United States. This building has been named in his honor, as the Lorin Farr Smith Building.

Lorin was a dedicated father to his child, Noah, whom he loved dearly and who was the center of his world. He loved music and all who knew him have fond memories of him playing the guitar. He could never be convinced that instant bake Tollhouse Cookies were not a basic food group. Lorin was kind and understanding to all who knew him, and fair to his employees. He was honest, hard working, personable and always had a smile on his face for both friends and strangers. He will be greatly missed by his employees, friends and family, and is cherished now by a loving Heavenly Father. He felt the best years of his life were ahead of him, and it was a shock to all when he was suddenly taken after surviving a severe heart attack. He knew he was loved by us all and carries that knowledge into the next life.

He is survived by his child Noah, his nine brothers and sisters, Lane, Michelle (Stan) McOmber, Renee, Lara, Joseph (Joy), Evan (Janae), Cherie (Preston) Romney, Stephanie (Jake) Ramsey, and Angelica (Eric) McFarland and both parents, his many cousins, nieces and nephews, his life-long friend Andreas Steinmann, and his employees; all who love and miss him. We trust in our savior, the Lord Jesus Christ and that his father in Heaven will watch over him.
