Mallori Lindsay Metcalf

June 22, 1986 ~ April 5, 2018

\"She is beautiful but her looks never stood a chance compared to how breathtaking her soul is\" - Joseph Colombrita.

She landed softly on earth 06/22/1986 with the sole purpose to love, unconditionally love. To many people she seemed distant, withdrawn maybe even a little introverted, but indeed she was NOT; she was just holding the people she loved so tightly to her heart trying to hide them safely from the harshness of the world. Mallori pursued her purpose with relentless dedication until her life was stopped tragically and suddenly from a blood clot post-surgery.

Mallori had an unmovable sense of gratitude to be blessed with 2 beautiful sons. Kaleb Bradly Christensen, 01/12/2002 and Isaac Mathias Cayner, 03/07/2018. Her mantra for her sons was: "Every single day, with every breath I take I think about you, Every moment of everyday I pray that you are safe, I pray that you are happy, my love will follow you, where ever you go. Whether you want it to or not, forever, and ever because you will always be my child."
