Victor Lee Brown, Jr.

November 9, 1937 ~ July 1, 2024

Born 9 November 1937 in Salt Lake City to Victor and Lois Brown. Died July 1, 2024.

Mareen LaVon Holdaway and I met in Australia while we served missions for The Church of Jesus Christ of Latter-day Saints. We were sealed on 26 May 1960, in the Salt Lake Temple and sought to be disciples of Jesus Christ throughout our life together. She unfailingly supported me in earning degrees that enabled me to become a social worker and give community service. She also graciously supported me in challenging church callings.

Those of our family who survive or preceded me in death include:
Mareen, my true friend and exemplar of faith, courage and love.

Our beloved children Hugh and Wavia, Kathleen, Eva and Brad, Melinda, Daniel and Lori, Nathan, and Delbert.

Our delightful 25 grandchildren, 26 great-grandchildren and our 2 Great-great-granddaughters.

I hope our children and all of our grandchildren will live by the light of promises and guidance as in Genesis 17:7; the Savior’s perfect love as in John 3:14-17 and give service, as in Doctrine and Covenants 138:47-48.

My exceptional siblings are Gary and Jan (deceased), and Josie; Joanne (deceased) and Steven; Patricia and Larry; and Steven and Peggy (deceased).
