

Wilibaldo "Willy" Gonzalez

July 7, 1928 ~ February 20, 2021

Wilibaldo “Willy” Gonzalez passed away peacefully at his home in Midvale, UT on February 20, 2021. Our father was born July 7, 1928 in Morelia, Michoacan, Mexico to Vincente Gonzalez and Dolores Ferreira. He married Maria Elena Ramirez, the love of his life.

The legacy our father left his children, grandchildren, and great grandchildren is that of a simple life, endless generosity, and the joy of seeing his family together. He will be missed.

Due to Covid-19 restrictions and our father’s wishes, we will celebrate his life in Mexico at a later date. If you would like to share a story or condolence, please visit larkincares.com.
