

William Andrew Hood

May 15, 2021 ~ November 16, 2021

Our precious son, William Andrew Hood, laughed and smiled for his 6 months and one day on this earth, bringing light and happiness to all who met him. Coming into the world three weeks early, he was determined to make a lasting impression on friends and family. He passed away peacefully in his sleep on November 16th, 2021. William was born on May 15th, 2021 in Salt Lake City, Utah to his loving parents Andrew and Katlyn Hood.

William was an answer to all of Andrew and Katlyn's wishes as their biggest dream in life was to become parents. He was often called Mr. William, Mr. Blue Eyes, Chunka Monk, and Baby William. During his brief and meaningful time on this earth, William enjoyed his daily walks with his dad while listening to the best of music. He would try to stay awake during each walk but often had fallen asleep only moments before pulling back into the driveway. William especially loved when his mom and dad sang to him. He shared his dad's love of sports and enjoyed watching the Jazz and Broncos. His favorite past times were being on dad's shoulder, wrapping both his fists in his mom's hair, playing on the floor gym, his binky, and story time. He loved bath time and fussed when he had to get out. William had the most tranquil demeanor of any child and only cried when he was hungry.

William experienced a lot of life in his short time with us. He visited family and friends in Arizona. He also was able to see his first Utah Jazz game just days before his passing. William's parents had big dreams and hopes for him and will forever be saddened by this indescribable loss.

William is survived by his mother and father Katlyn and Andrew Hood, his grandparents; Bryan Booth, Teresa Reinacher, Kenneth Reinacher, William and Angie Robinson, his 12 aunts and uncles, and his 5 cousins. He was adored by so many and brought joy to all. He will always be the most precious gift to his parents and will forever remain in their memory.
