

Wyatt Dean Glaser

September 11, 2020 ~ December 5, 2023

Wyatt Dean Glaser was a bright shining star on this earth. Sadly, his light burned out on December 5th, 2023. Born September 11th, 2020, in the short time here he shined so bright bringing light to his family. His mother Brittney Glaser, Father Shawn Glaser, and his older brother Warren Glaser, cherished the little time they had with him. His beautiful smile would brighten the room. He loved to laugh and smile at his big brother being silly. He also enjoyed Disney movies his favorite being Frozen. From his great grandparents, grandparents, and many aunts, uncles, and cousins who's love and support was always there. His pain is no more, his love is forever, in our memories and in our hearts.

A celebration of life will be held on December 16th, at Larkin Mortuary (260 East South Temple). There will be an open house from 12:30 pm to 2:00 pm followed by a short service from 2:00pm to 2:20 pm
